A complete [menu](https://menuweb.menu) of Martins Place from Hillingdon featuring all 42 dishes and drinks can be found here on the menu. Nestled in Uxbridge, this charming bistro offers a welcoming ambiance that beckons diners seeking a taste of classic fare reminiscent of the 1980s. While some dishes, like the chicken cordon bleu and tender steaks, earn high praise for their quality and flavor, others, such as the stroganoff, may leave guests craving more. The friendly staff enhance the dining experience, although service can occasionally lack warmth. Reasonably priced, the restaurant presents an excellent option for those who appreciate home-cooked meals in a familiar setting, making it a delightful, if not extraordinary, dining destination.
