**SPRING/SUMMER 2025**

Hello, and welcome to The Weston, we are battling to get through what has and is a difficult few years for the Hospitality Industry due to the effects of Covid followed by a cost of living rise, an energy crisis and now massive hikes in NI contributions, We wouldn't be here if we didn't have the support from you our guests of The Weston, which we are grateful and blessed to have.

Having managed to survive, we are now beginning to strive continuing to do what we love. With us winning two national awards for 2023 Scotland's Best Pub and Scotland's Dog Friendly Eatery and in 2024 defending our title of Scotland's Best Pub making us the only pub to ever win it back to back in consecutive years.

This new menu has not only been influenced by our Head Chef Connor, and has an emphasis on our popular dishes over the years, as we celebrate Winning Scotland's Best Pub for 2 consecutive years.

While you are with us if you have any questions, queries, or dietary requirements please speak to one of my Weston Family who will be more than happy to help, ensuring you have the most enjoyable experience possible.

Remember our food is cooked fresh to order, we are not a fast food business. So your wait times could be slightly longer due to this however, by us operating in this way our food quality should compensate for the wee bit longer you might have to wait.

So sit back, relax, and enjoy your visit with us,

Stay Safe, John, Connor and The Weston Family
